SATURDAY EVENING, SEPT. 15.

STRANGE SUICIDE.—A German named Muller, residing at No. 153 Bomey street, cut his throat yesterday about four o'clock and died an hour or so afterward. He was about forty-five years old and lived alone with his wife, having grown up children. He and his wife were both at work yesterday in the b-o-m corn field, a mile or so out of town in Niskayuna, several other persons working with them cutting broad corn. Muller had worked well all day and seemed to feel as well as usual, taking in German with other workmen. About 4 p. m. while working a rod or so from the other men, they saw blood on him, but had not noticed him cut himself. While they stood looking at him, in a moment he drew the knife across his throat, making a second gash. They started for him, but before they could reach him to draw the knife across his throat again, and he had fallen some distance to the ground started to run like a wild man, the blood flowing from the terrible gash in his throat as he ran. He ran rapidly, making a circuit, and when coming round near where he had started from fell exhausted under a tree. Dr. Van Voast was sent for at once and found Mr. Muller bleeding and in a helpless condition, with his wife completely cut off and a large blood vessel severed. He was removed to his home, but died a few moments after being taken into the house. Deceased made a similar attempt to take his life about two months ago, cutting his throat in the same place both times.—*Schenectady Union*

"EXCELSIOR."

ANALYSIS.
Ammonia..... 6.20
Soluble Bone Phosphate of Lime..... 25.50
Undecomposed Bone Phos of Lime..... 6.20
Sulphate of Potash..... 2.85
The most concentrated, universal and valuable fertilizer ever offered to the farmer—combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bone. In fine dry powder, prepared expressly for drilling.
After nineteen years' experience by the farmers of Maryland and Virginia in the use of "Excelsior," it is their unanimous opinion that an application of 100 pounds of "Excelsior" is equal to from 200 to 500 pounds of any other fertilizer or guano, and, therefore, fully 100 per cent cheaper.

UNIFORM QUALITY GUARANTEED BY THE MANUFACTURERS.
Farmers should see that every bag is branded as above, with the ANALYSIS and OUR NAME IN RED LETTERS. All others are counterfeits. Price \$50 per ton.
